|---------------|------------------------------------------------------------|
| 2006- Present | ASHA Certificate of Clinical Competence - Speech Pathology |
| 2006- Present | State of Connecticut License - Speech Pathology            |

**RELEVANT PROFESSIONAL EXPERIENCE**

---

- |              |                                                                                                                          |
|--------------|--------------------------------------------------------------------------------------------------------------------------|
| 2023-Present | Associate Professor, University of Connecticut, Department of Speech, Language, and Hearing Sciences, Storrs, CT         |
| 2016- 2023   | Assistant Professor, University of Connecticut, Department of Speech, Language, and Hearing Sciences, Storrs, CT         |
| 2014-2016    | Visiting Assistant Professor, University of Connecticut, Department of Speech, Language and Hearing Sciences, Storrs, CT |
| 2010- 2012   | Research Assistant, University of Connecticut, Department of Speech, Language and Hearing Sciences, Storrs, CT           |
| 2004-2010    | Instructor, University of Connecticut, Department of Speech, Language and Hearing Sciences, Storrs, CT                   |
| 2005- 2008   | Speech and Language Pathologist, Windham Hospital and First Choice Rehabilitation, Willimantic, CT                       |

**RESEARCH INTERESTS**

---

- Application of neuroplastic principles to treatment of acquired brain injury
- Mechanisms of recovery in chronic aphasia
- Effect of environmental enrichment on functional communication in aphasia
- Functional neuroimaging

## RESEARCH FUNDING

---

### ***Funded***

- 2022 National Institute on Deafness and Other Communication Disorders (NIDCD), The Noisy Life of the Musician: Implications for Healthy Brain Aging, (Role: Co-I; Erika Skoe, PI) , \$2,302,485, Awarded July, 2022
- 2021 National Institute on Deafness and Other Communication Disorders (NIDCD), Hemispheric differences in phonetic processing, \$2,730,476 (Role: Co-I; Emily Myers, PI), Awarded July, 2021
- 2019 American Speech-Language-Hearing Foundation, Measuring the Communicative Environments of People with Aphasia, \$25,000 (Role: PI); Awarded November, 2019
- 2016 American Speech-Language Hearing Association, Advancing Academic-Research Careers Award. Mentorship team: Swathi Kiran, Jacquie Kurland, Sharon Antonucci. \$5,000 (Role: PI); Awarded November, 2016
- 2015 Brain Imaging Research Center (BIRC) Seed Grant "*Neural and behavioral changes attributed to high intensity reading treatment in chronic aphasia*": 20 hours of scanning time; valued at \$10,000 (Role: PI), Awarded December, 2015
- 2013 University of Connecticut Doctoral Dissertation Fellowship: \$2,000
- 2012 American Speech-Language-Hearing Foundation New Century Doctoral Scholarship: \$10,000, (Role: PI), Awarded October, 2012

### ***Funded Mentor Awards***

- 2023 University of Connecticut Summer Undergraduate Research Fund (SURF) award from the Office for Undergraduate Research: \$1,500 student stipend and \$500 faculty professional development stipend, Awarded March 2023
- 2022 National Fellowships Incentive Program: \$1,000, Awarded December, 2021
- 2019 University of Connecticut IDEA Grant Program: \$4,000, Awarded April, 2019
- 2019 University of Connecticut Summer Undergraduate Research Fund (SURF) award from the Office for Undergraduate Research: \$1,500 student stipend and \$500 faculty professional development stipend, Awarded March 2019
- 2018 University of Connecticut University Scholars Award, Awarded December 2018
- 2015 University of Connecticut Social Sciences, Humanities, and Arts Research Experience (SHARE) award from the Office for Undergraduate Research: \$1,500 student stipend and \$500 faculty professional development stipend, Awarded Nov. 2015

## ***Proposed***

- 2023 National Institute on Deafness and Other Communication Disorders (NIDCD), Training in the Cognitive Neuroscience of Communication, (Role, Preceptor), 2,254,434.00, submitted May 25, 2023
- 2022 National Institute on Deafness and Other Communication Disorders (NIDCD), Enriching the Communication Environment to Improve Language and Quality of Life in People with Aphasia, (Role: PI), \$3,250,551.00, submitted June 6, 2022, not funded.
- 2018 Department of Defense, Assessment of Discourse Following TBI, \$2,869,361 (Role: Co-PI; Carl Coelho, PI), submitted December, 2018, not funded.
- 2018 InCHIP-UConn Center for mHealth and Social Media Seed Grant for Research of Social Media and Health, An assessment of the use of social media in people with aphasia. \$15,000 (Role: PI), submitted May 1, 2018, not funded.
- 2017 Academic Plan Grant Proposal, *UConn Health Stroke Center: Aphasia Research Program*, \$150,000 (Role: Co-I, Carl Coelho, PI), submitted January 20, 2017, not funded.
- 2016 Fulbright Global Award, submitted August 1, 2016, not funded.
- 2016 National Institute on Deafness and Other Communication Disorders (NIDCD), The Neurobehavioral Assessment of Discourse Following TBI, \$2,869,361 (Role: Co-I, Carl Coelho, PI), submitted Nov. 2016, not funded

43. **Mozeiko, J.**, Lê, K., Coelho, C.A., (June 2011). *Conversational discourse measures and executive functions following TBI*. Poster presented at the Federal Interagency Conference on Traumatic Brain Injury, Washington, DC.
44. **Mozeiko, J.**, Lê, K., Coelho, C.A., Kruger, F. & Grafman, J. (March 2011). *The relationship of executive function and story grammar measures of discourse following penetrating head injury*. Poster presented at the Annual Connecticut Speech and Language Hearing Association, Bridgeport, CT.
45. **Mozeiko, J.**, Lê, K., Coelho, C.A., Kruger, F. & Grafman, J. (May 2010). *The relationship of executive function and story grammar measures of discourse following penetrating head injury*. Poster presented at the 41st Annual Clinical Aphasiology Conference, Isle of Palms, SC.
46. Lê, K., **Mozeiko, J.**, Coelho, C.A., Kruger, F. & Grafman, J. (May 2010). *Measuring Goodness of Story Narratives: Implications for Traumatic Brain Injury*. Poster to be presented at the 41<sup>st</sup> Annual Clinical Aphasiology Conference, Isle of Palms, SC.
47. **Mozeiko, J.**, Lê, K., Coelho, C.A., Kruger, F. & Grafman, J. (February 2009). *Discourse Performance Associated with Left Dorsolateral Prefrontal Cortex Lesions*. Poster presented at the 37<sup>th</sup> annual meeting of the International Neuropsychological Society, Atlanta, GA.
48. Lê, K., Buck, R., J., Coelho, C.A., **Mozeiko, J.** & Grafman, J. (February 2009). *The Effect of Traumatic Brain Injury on Symbolic and Spontaneous Communication*. Poster presented at the 37<sup>th</sup> annual meeting of the International Neuropsychological Society, Atlanta, GA.
49. **Mozeiko, J.**, Nagle, S., Paulovicks, J., Coelho, C.A. & Musiek, F. (November 2008) *How Does the Brain of an Individual with Aphasia Hear?* Poster presented at the annual convention of the American Speech-Language-Hearing Association, Chicago, IL.
50. Lê, K., **Mozeiko, J.**, Coelho, C.A., & Grafman, J. (November 2008). *Quantifying Story Goodness: Development of a New Narrative Discourse Tool*. Poster presented at the annual convention of the American Speech-Language-Hearing Association, Chicago, IL.
51. **Mozeiko, J.**, Lê, K., Coelho, C.A., & Grafman, J. (November 2007) *Brain Lesion Analysis and Reduced Performance on Story Grammar Measures Following Penetrating Head Injury*. Poster presented at the annual convention of the American Speech-Language Hearing Association, Boston, MA.
52. Lê, K., **Mozeiko, J.**, Coelho, C.A., & Grafman, J. (November 2007). *Model-Based Interpretation of Narrative Discourse Deficits following Penetrating Head Injury*. Poster presented at the annual convention of the American Speech-Language-Hearing Association, Boston, MA.
53. Coelho, C.A., **Mozeiko, J.L.**, Raymont, V., & Grafman, (May 2006). *Analysis of brain lesions associated with narrative discourse impairments following penetrating head injury*. Paper presented at the 35<sup>th</sup> Annual Clinical Aphasiology Conference, Scottsdale, AZ.
54. Youse, K.M., Coelho, C.A., **Mozeiko, J.L.**, & Feinn, R. (November 2004). *Discourse characteristics of closed head injured and non-brain injured adults misclassified by discriminant function analyses*. Paper presented at the 33<sup>rd</sup> Annual Clinical Aphasiology Conference, Park City, UT.

## **INVITED TALKS AND INTERVIEWS**

---

March 2021	Friends of Aphasia, Research from the Aphasia Rehab Lab
October 2020	Aphasia Access Podcast, Episode #58- <a href="http://www.aphasiaaccess.org/podcasts">www.aphasiaaccess.org/podcasts</a>
June 2020	The Tavistock Scholars Award Panel, Facebook Live, Fireside Chat
September 2016	Boston University Sargent College, Aphasia Symposium

## **HONORS AND AWARDS**

---

2023	Provost Award for Excellence in Community Engaged Scholarship (PAECES)
2023	University of Connecticut SURF award- Office of Undergraduate Research
2020	The Tavistock Trust for Aphasia Distinguished Scholar Award
2019	University of Connecticut IDEA Grant award-Office of Undergraduate Research
2019	University of Connecticut SURF award- Office of Undergraduate Research
2018	University Scholar Mentor award
2015	University of Connecticut SHARE award- Office of Undergraduate Research
2013	University of Connecticut Doctoral Dissertation Fellowship
2012	American Speech-Language-Hearing Foundation New Century Doctoral Scholarship
2012	University of Connecticut Doctoral Student Travel Fund
2010	Federal Interagency Conference on TBI Student Scholarship
2010	National Institute of Deafness and Other Communication Disorders Student Fellowship, Clinical Aphasiology Conference
2009-2012	University of Connecticut Graduate School Predoctoral Fellowship
2005	Connecticut Speech-Language-Hearing Foundation Geraldine Garrison Award for Academic and Clinical Excellence

## **PROFESSIONAL AFFILIATIONS AND SERVICE**

---

### **AFFILIATIONS**

2020-Present	Adjunct Assistant Professor in the Department of Neurology, University of Connecticut School of Medicine
2018-Present	Aphasia Access
2018-Present	Science of Learning Art of Communication (SLAC)
2017-Present	Academy of Aphasia
2017-Present	Neurobiology of Language Faculty Affiliate (NBL)
2016-Present	CT Institute for Brain and Cognitive Science (iBACS)
2015-Present	Institute for Collaboration on Health, Intervention, and Policy (InCHIP)
2013-Present	Society for the Neurobiology of Language (SNL)
2008-Present	Academy of Neurological Communication Disorders and Sciences (ANCDS)
2006-Present	American Speech-Language-Hearing Association, Special Interest Group 2: Neurophysiology and Neurogenic Speech and Language Disorders (ASHA SIG 2)
2004-Present	Connecticut Speech-Language-Hearing Association (CSHA)

## **SERVICE**

### **Departmental Service**

September 2018- Present- **Clinical Project Coordinator**

- Create and maintain documentation for MA clinical project guidelines
- Hold informational sessions to educate students on the process
- Create deadlines according to student and faculty schedules
- Assign faculty committees to each student
- Organize venue and format of presentations
- Host the presentation session
- Enter final grades for students

May 2022- Present- **SLHS Co-Chair Graduate Admissions Committee**

- Selected as a participant for the 2023 CAPCSD Admissions Summit, Orlando, FL

May 2020 and May 2021- Speech Language Hearing Science **Graduate Admissions Committee Member**

- Review and rate admissions materials for ~60 applicants
- Determine which students will be offered admission after achieving consensus with the full committee.

September 2020-Present- **SLHS Colloquium Coordinator**

- Collaborate with students and other faculty on speakers of interest
- Recruit 6-8 speakers per academic year
- Organize venue, speaker agenda, on campus meetings, and travel.

September 2018-May 2019- **Interim SLHS Colloquium Coordinator**

- Performed duties of SLHS director (see above) during Coordinator's sabbatical

### **University Service**

2023-24- The **Provost's Awards** for Excellence in Community Engaged Scholarship (PAECES) Committee

2021- **Chair of SLAC Publicity and Social Media** Committee

October 2020-Present- **Mentor** for underrepresented or first-generation students

2019- Member SLAC Publicity and Social Media Committee

October 2019 and October 2021- **Faculty Leader** in annual UConn Interprofessional Education Event

- Plan event with interdisciplinary health faculty
- Meet with students from various health professions
- Run a discussion group online prior to the event
- Moderate a discussion based on a case study

September 2019-2023- **Language Fest 2020-2022 Co-coordinator**

- Meet with students to determine speaker, student panel, venue, food, and swag budget.
- Co-organize each aspect of event (2021 was an all-virtual event)

### **Service to the field**

2023- Tenure Review Package

2023-24- **Program Committee Member** for the 2024 **Clinical Aphasiology Conference**

2023-24- **Review Sub Committee** for the 2024 Clinical Aphasiology Conference

2021- **Reviewer** of Graduate Student Scholarship materials for the **American Speech-Language-Hearing Foundation Awards**.

- Read materials submitted by 22 of the applicants
- Provided feedback on each question for each student
- Ranked each application

October 2020-Present- **The Collaboration of Aphasia Trialists-** Working Group 4 (Effectiveness of Interventions.)

- Collaborate with an international group of aphasia treatment researchers to determine priorities in the field of Aphasiology
- Create a plan for collaborative work across several participating countries
- Support funding efforts of the host country
- Execute funded plan

November 2017- Present- **Editorial Board Member:** *Seminars in Speech and Language*

November 2015- October 2023 **Academy of Neurological Communication Disorders Evidence-Based Clinical Research Committee.**

- Work fluctuates depending on the needs of ANCDs and within the field of aphasiology.
- Groups convene every week with approximately 3 hours of work required per week.

November 2018- Present- Language Disorders in Adults **ASHA Convention Program Committee**

- Collaborate with committee members to decide on invited speakers in Adult Language
- Review of ~ 30 proposals for presentation at the 2019 ASHA Convention.
- Determine invited speakers and review of Adult Language Proposals for presentation at the 2020 ASHA Convention

### **Ad Hoc Reviewer**

Journals

*American Journal of Speech-Language Pathology*

*Aphasiology*

*Journal of Speech, Language, and Hearing Research*

*Language and Speech*

*Seminars in Speech and Language Pathology*

*Neurorehabilitation*

*Journal of Communication Disorders*  
*International Journal of Language and Communication Disorders*  
*Perspectives in Speech Language Pathology*

**Grants**

*American Speech Language Hearing Foundation Grant Panel*  
*University of Connecticut Summer Undergraduate Research Fund Award*  
*University of Connecticut Brain Imaging Research Center Seed Funding*

**Awards**

*University of Connecticut Provost Award for Excellence in Community Engaged Scholarship*

**TEACHING AND MENTORING EXPERIENCE**

---

**PhD Advisor**

Louisa Suting, SLHS (admitted 2019)  
Amanda Wadams, SLHS (PhD granted 2023)

**PhD Associate Advisor:**

Nicole Cruse, SLHS (PhD granted 2021)  
Theodore Jenkins, SLHS (PhD granted 2018)

**PhD External Examiner:**

John Pierce, Allied Health, La Trobe University, Australia (PhD granted 2021)

**Master's Thesis Advisor:**

Anna Barnes, SLHS (MA anticipated 2023)  
Sarah Arnett, SLHS (MA granted 2022)  
Elizabeth Collin, SLHS (MA granted 2021)  
Callie Marsalisi, SLHS (MA granted 2020)  
Andrea Pascariello, SLHS (MA granted 2019)  
Katherine Konishesky, SLHS (MA granted 2018)  
Shannon Hughes, SLHS (MA granted 2017)  
Marilyn Richard, SLHS (MA granted 2015)

**Honor's Thesis Advisor:**

Allison Shane, SLHS, (BA anticipated 2024)  
Shivani Padhi, PNB, (BA granted 2022)  
Andrea Polin, Allied Health, (BA granted 2021)  
Sarah Arnett, SLHS, University Scholar, (BA, 2020)  
Madison Thompson, SLHS (BA granted 2019)  
Allison Finn, SLHS (BA granted 2018)

## **Courses Taught:**

### ***Graduate***

- SLHS 5342: Aphasia
- SLHS 3638: Aphasia Practicum
- GRAD 5950: Master's Thesis Research

### ***Undergraduate***

- SLHS 4245: Neuroscience for the Study of Cognitive and Communicative Disorders
- SLHS 3299: Independent Study in Research Methods
- SLHS 4244W: Introduction to Neurogenic Communication Disorders (Term paper component)
- SLHS 4242: Directed Observations
- SLHS 3247: Introduction to Phonetic Principles
- SLHS 1150: Introduction to Communication Disorders

### ***Guest lecturer***

- COGS 3584: Seminar in Cognitive Science
- SLHS 4244: Introduction to Neurogenic Communication Disorders
- COGS 5001 Proseminar
- Clinical Connections Seminar, guest lecturer, Fall 2019
- SLHS 5342: Aphasia
